We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

Your Team

The team's goal is to inspire our B2B customers in all segments as well as our employees through simple, digital customer journeys, seamlessly across all channels and across our entire B2B portfolio – from standardised core products to core ICT solutions.

- Define and coordinate E2E IT processes and the required IT solutions
 - Analyze technical requirements and define solutions based on architectural guidance
 - Harmonize the architecture and create and maintain architecture and system documentation
 - Analyze and manage business requirements in close collaboration with stakeholders
 - Serve as a central point of contact for development and operations teams
-
- Do you have several years of professional experience in a similar position, in software development or technical consulting with a very good understanding of Java programming?
 - Do you have very good SQL knowledge (Oracle, PostgreSQL), are you familiar with CRM-systems (preferred Salesforce) and are you beneficially experienced with AWS?

- Do you have strong communication skills and are you ready to take the E2E responsibility for the technical lifecycle?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.
