We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

Your Team

In the area of IT Enterprise Architecture & Digital Sales, you will be part of the team which shape and realize future-proof and sustainable digital solutions for our customers. Our vision is to enable seamless omni-channel digital experience for our customers.

- Strive to possess deep understanding of our business- and technological landscape to secure IT architecture alignment with Magenta`s overall objectives
 - Envision and drive the target architecture of Magenta to provide the best products and services for our customers
 - Implement large-scale, innovative IT solutions to drive business transformation
 - Produce target-state solution architecture and perform assessments and gap analysis
 - Transform complex and monolithic architecture to a lean service-oriented architecture
 - Actively guide and participate in solution architecture activities in highly complex projects/programs
 - Contribute to developing strategy for the rehosting/reengineering of applications to realize target architecture on cloud-based infrastructure
-
- Do you have a strong software engineering and architecture background with 7+ years of experience in a similar role and a proven knowledge and track record of

managing a system architecture lifecycle?

- Are you able to handle different stakeholder interests when implementing plans and set boundaries with competing organisational interests?
- Do you have strong communication skills and are you willing to be a change agent in the organisation, driving ways to push topics and programs forward?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.

„Kunde ist König“
ist unser
Versprechen.

Wir wollen
