### We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

- Collaborate with stakeholders to identify business problems and translate them into analytical use cases and data-driven solutions
  - Select, ingest and prepare data, including cleansing, normalization and feature engineering to ensure high-quality inputs for modeling
  - Perform exploratory data analysis to uncover insights, validate assumptions and support model development through visualization and statistics
  - Build, validate and optimize machine learning and statistical models with a focus on robustness and scalability
  - Interpret results within a business context, translate findings into actionable insights and contribute to decision-making processes
  - Work with IT and operations teams to deploy models into production, monitor performance and ensure alignment with business goals
  - Ensure compliance with GDPR, the EU AI Act and cybersecurity standards, while contributing to innovation and identifying new use cases
- 
- Do you have on hands experience in a similar position in industries with large, high-frequency or geospatial datasets and do you have a strong proficiency in data mining, mathematics and statistical analysis, including hypothesis testing, regression, classification, clustering and dimensionality reduction?
  - Are you proficient in working with Python, SQL and any vizualisation tool, and are you ideally familiar with big data technologies on GCP (Vertex AI)?
  - You have strong communication and presentation skills, including the ability to explain complex models and findings to non-technical stakeholders?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.

„Kunde ist König“  
ist unser  
Versprechen.

Wir wollen  
gemeinsam  
gewinnen.

Du kannst  
dich auf mich  
verlassen.

Wir dürfen das  
und machen's  
einfach.

Kein Bullshit Bingo -  
wir sagen was  
Sache ist.

Wir nehmen's  
mit  
Humor.
