We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

Your Team

At Magenta, we strive to continually provide our customers with high quality products and services in the digital and ever-changing world. You will be part of an agile organization and teams which shape and realize future-proof and sustainable digital solutions for our customers.

- Strive to gain an in-depth understanding of our business and technological landscape to ensure technical solutions align with business objectives
- Collaborate with Enterprise Architecture to shape the long-term strategic direction of business architecture and define the technology capabilities required to enable the architecture
- Produce target-state solution architecture for the group systems and applications under your responsibility
- Transform complex, monolithic architectures into lean, service-oriented architectures to achieve simplification in B2B journeys
- Develop strategies for rehosting and reengineering applications to implement the target architecture on cloud-based infrastructure
- Regularly evaluate the system architecture and collaborate with solution teams to design improvements
- Continuously evaluate existing and emerging technologies to ensure future-proof and sustainable solutions that achieve business outcomes

- Do you have 7+ years of experience in software engineering and/or software architecture, with strong experience of large-scale transformation programmes involving complex integration and service-oriented architecture?
- Do you have extensive experience in SaaS-based platform and the required integration, especially in enabling B2B business?
- Do you have strong experience in agile delivery model?
- You have strong communication skills and are willing to be a change agent in the organisation, creating impact and driving the way forward?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.
