### We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

### Your Team

At Magenta, we strive to continually provide our customers with high quality products and services in the digital and ever-changing world. You will be part of an agile organization and teams which shape and realize future-proof and sustainable digital solutions for our customers.

- Methodically design end-to-end technical solutions based on business requirements
  - Lead technical impact analyses and guide implementation and deployment activities
  - Collaborate with Solution Architecture to translate design concepts into microservices and service-oriented architectures, to achieve simplification in B2B journeys
  - Ensure consistency and compliance with target architecture, security, and data privacy requirements in close coordination with Solution Architecture
  - Integrate technical solutions into the existing technology landscape and delivery processes in a compliant manner
  - Own and manage the lifecycle of relevant IT applications
  - Consult with business stakeholders to identify challenges and propose alternative solutions, including developing proofs of concept where required
- 
- Do you have 5+ years of IT experience with a focus on software engineering and/or

solution design, especially in enabling B2B business?

- Do you have extensive experience in large-scale transformation programs involving SaaS based platform, third party products and the required integration?
- Do you have significant experience in designing APIs and microservices within a Service Oriented Architecture?
- Do you have strong experience in agile delivery model?
- Are you able to define the problems to be solved and develop solutions that effectively address the challenges through technical analysis, prototyping, troubleshooting and communication?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.

„Kunde ist König“  
ist unser  
Versprechen.

Wir wollen
