### We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

Our team turns data into insight by building reports and dynamic dashboards that visualize performance trends and key KPIs, enabling smarter data-driven decisions and uncovering new opportunities for growth and optimization in the B2B world.

- Analyze and process data from our Data Warehouse and cloud platforms using SQL
  - Support Data Scientists in building and refining data models
  - Develop and maintain ad-hoc reports, Tableau dashboards, and key performance indicators
  - Contribute to projects in an agile environment, ensuring data integration from new tools and sources
  - Take ownership of collecting and defining new data and analytics requirements from Channel Steering, Service, and Sales teams
  - Collaborate on strategic B2B Analytics projects and integrate data from new tools and sources
- 
- Do you have hands-on experience in a similar position and a data-driven mindset?
  - Are you proficient in working with data models, SQL, and a visualization tool like Tableau?
  - Do you have first experience with Python and GCP?
  - Are you a team player with strong analytical thinking and a proactive attitude?
  - Do you show a high degree of initiative and enjoy working independently?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion,

disability or sexual orientation. Magenta connects all people.

„Kunde ist König“  
ist unser  
Versprechen.

Wir wollen  
gemeinsam  
gewinnen.

Du kannst  
dich auf mich  
verlassen.

Wir dürfen das  
und machen's  
einfach.

Kein Bullshit Bingo -  
wir sagen was  
Sache ist.

Wir nehmen's  
mit  
Humor.
