Program Manager (f/m/d) - Employee Central

Vienna | full-time | asap | unlimited

We are Magenta

Magenta Telekom is a leading provider of internet, mobile communications, entertainment and business solutions in Austria. The company counts around 2,200 employees and is part of the Deutsche Telekom Group.

Deutsche Telekom is transforming its HR IT landscape by introducing SAP SuccessFactors Employee Central as the future core HR system for managing employee master data, compensation, and selected time management processes, supported by a project team on the HR business side responsible for steering, requirements, testing, and vendor coordination.

- Steer the international Employee Central implementation project at Deutsche Telekom from the HR business perspective
 - Lead the functional implementation team in HR HQ and coordinate closely with IT, T Systems, and SAP SuccessFactors
 - Ensure the successful rollout of Employee Central in more than 20 countries
 - Define and drive the global template for HR data and processes and consult internal customers on best practice implementations
 - Manage stakeholders, handle escalations, and conduct regular status and alignment meetings across the program
-
- Have you led large scale international Employee Central implementations with more than 5,000 users across multiple countries?
 - Have you designed and implemented global templates for HR data and processes?
 - Do you have experience steering external vendors during system implementations

and managing delivery?

- Do you bring strong Employee Central expertise together with project management and vendor management skills, and are you fluent in English (German is a plus)?

At Magenta, we believe in diverse employees and live equal opportunities. We welcome all applications regardless of cultural and social background, age, gender, nationality, religion, disability or sexual orientation. Magenta connects all people.
